

PACT Testing 2008

Parents,

PACT testing time has arrived again. We will be testing students May 13th - May 27th. Please encourage your child letting him or her know that you are confident in his or her ability to do their best. Make sure your child gets to be early each night, and provide a healthy breakfast each morning. You may want to set the alarm a little earlier each day to make sure your child does not have to rush to school each morning. Attendance during PACT testing is very important. Please do your best to schedule doctor appointments after school hours.
